

# CSDI Proposed Roadmap

## Phase 1A

Implementation: 2 – 3 months

Provision of GIST to Commonwealth Departments working on Social Inclusion initiatives.

## Phase 1B

Implementation: 3 – 5 months

Provision of GIST with additional health and welfare datasets. Technical pilot of Address Validation and geo-coding capabilities in participating agency

## Phase 2

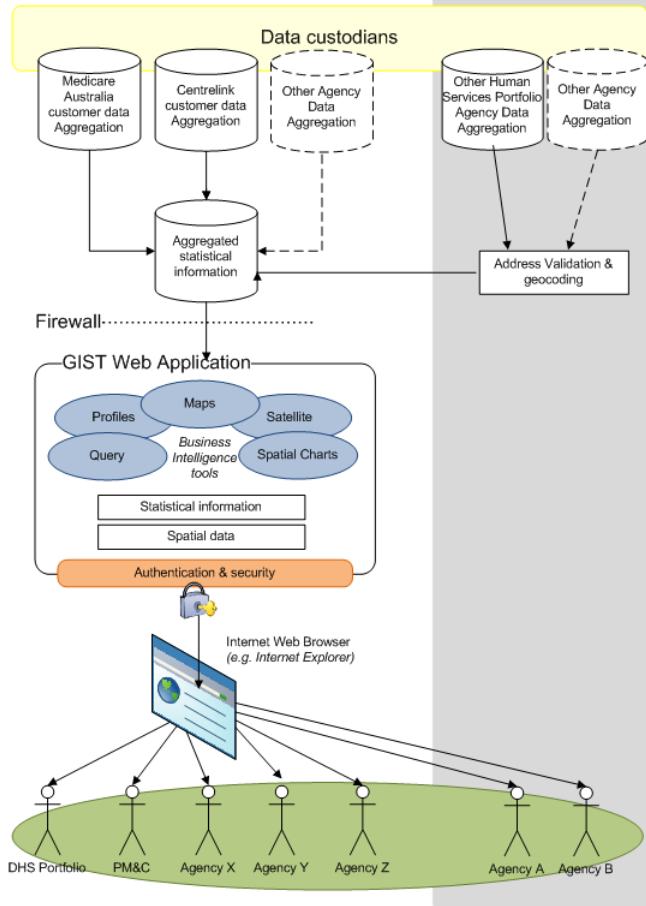

Implementation: 12 – 24 months

CSDI distributed network of pre-configured servers installed in participating Departments. These will share common services and information capabilities.

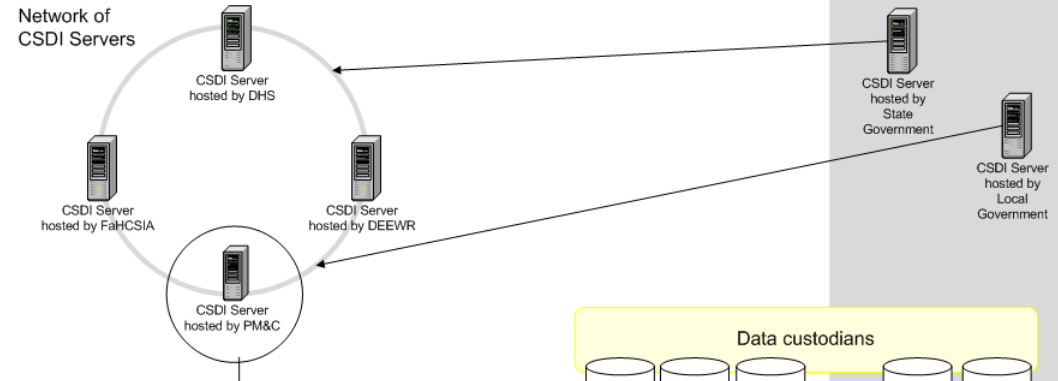

## Phase 3

Implementation: 24 – 48 months

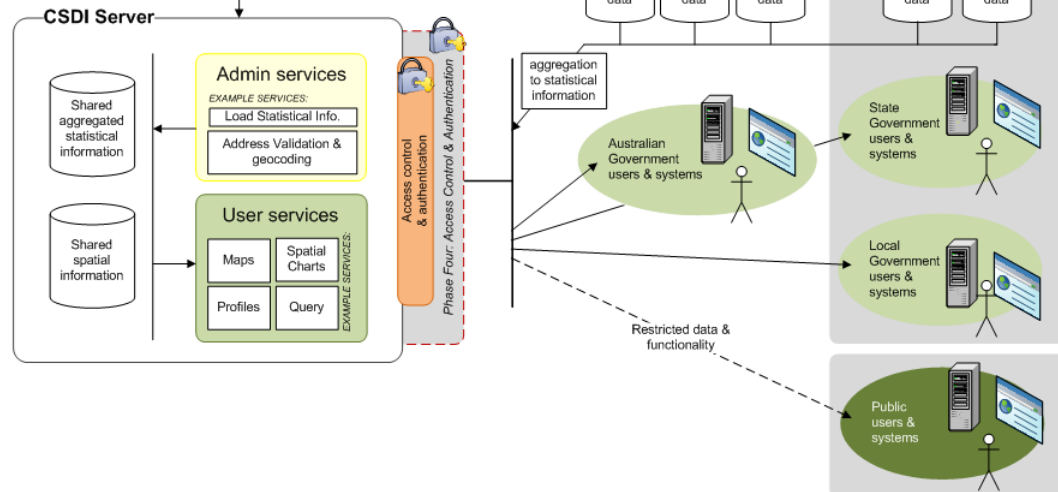

CSDI extended to include State and Local Government. Public access provided through further access control and authentication.

### Network of CSDI Servers

### CSDI Server
